Three races must be completed to constitute a series. For Season Championship awards, at least two races in a series must be completed to be included in the calculation under 3.3.

**1.3 Throw outs**

When fewer than 4 races in a Wednesday Series have been completed, a boat's series score will be the total of her race scores. There are no throwouts for the weekend series. This modifies RRS A2.1

**1.4 Flags Awarded**

Flags will be awarded on a division basis for: Memorial Day Race, Spring, Summer and Fall Wednesdays; the JAM series, Weekend Pursuit Races, Late Fall Series.

Ties will be broken using the logic of RRS A8.1. If still tied, duplicate awards will be given. This modifies RRS A8.2.

**4 OFFSHORE REGATTA CHAMPIONSHIP**

A Regatta Championship shall be awarded to the boat that regularly races at RYC and which achieves the highest combined score in the events listed below:

**4.1 Eligible Events**

The "Regatta Championship" shall include a boat's best scores in events totaling 60 points.

<b>Event</b>	<b>Points</b>
Memorial Day Race	10

Sodus Bay Challenge Cup	20
LYRA Freeman Race (short or long)	25
LYRA Day Races	25
Hospice Regatta	15

#### **4.2 Formula**

For each event, the boat will be given a score by multiplying the weighting points for the event by a fraction whose numerator is the total number of boats entered in the division, minus the boat's finishing position, plus one, and the denominator will be the total number of boats entered.

The weighted event scores will be added together to determine the total score. The boat with the best overall total score will be the winner.

#### **4.3 Breaking Ties**

In the event of a tie the boat with the most firsts will be the winner. If still tied, the boat with the most seconds will be the winner. If still tied, the boat with the most thirds will be the winner. If still tied duplicate awards will be given. This modifies RRS A8.1-2

If three boats compete, 1st and 2nd place flags will be awarded. If four or more boats compete, 1st, 2nd and 3rd place flags will be awarded.

#### 6.2 SCORING SYSTEM

- 6.2.1 A boat must race in and be scored in at least 60% of all races to be eligible for Series and / or Fleet Championship awards.
- 6.2.2 When a boat and skipper are away from club racing at a class regatta, the skipper may request AVE Average Scores for one day's racing per series. To be eligible for AVE scoring, a request must be made in advance to the class Fleet Captain.
- 6.2.3 M-15, J/24 and Sonar Class Series scores will be calculated per Appendix A, with the qualifications listed in Section 12 of the 2023 One-Design Sailing Instructions.
- 6.2.4 M-15, J/24 and Sonar Class Season Championship scores shall be based on average scores for the top 80% of all races run with three or more boats starting. The boat with the lowest average score wins. Average scores awarded for AVE shall be excluded from the Fleet Championship calculation.

## 7 JIB AND MAIN (JAM) FLEET SCORING

Friday JAM races will be scored and flags awarded after each day's race.

### 7.1 JAM Individual Race Scoring and Awards

The Friday JAM races will be scored using a low point scoring system awarding each boat a score equal to its finishing position within the assigned division.

A boat competing in a LYRA sanctioned event or a Club sponsored event that takes the boat away from competing in a race will, upon request to the Fleet Captain, be scored the average of her other starts in the series (before throw-outs), limited to two race days per season. **The JAM Fleet Captain must be notified prior to the race to be eligible for average finish scoring.**

### 7.2 JAM Fleet Championship

The JAM Fleet Championship is awarded to the boat racing in Division 1 or Division 2 with the best percentage score for the season. The "percentage score" method is defined in section 3.3, for the Offshore Fleet champion. To be eligible a boat must race in and be scored in at least 60% of all races run.

### 7.3 JAM Women's Championship

The JAM Women's Championship will be determined in the same "percentage score" method defined in section 3.3, for the Offshore Fleet champion. To be eligible, a boat must race in and be scored in at least 4 races with a women skipper (identified with a green flag on the backstay). Only races sailed with a woman skipper will be tallied to compute the "percentage score". If a boat is scored in 6 or more races with a women skipper, one score may be excluded from this calculation.

### 7.4 Breaking Ties

In the event of a tie, ties will be broken in accordance with RRS A8.1. If a tie still remains, each boat's race scores shall be listed in order of best to worst, and at the first point(s) where there is a difference, the tie shall be broken in favor of the boat(s) with the best scores(s). No excluded or average scores shall be used. This modifies RRS A8.2.

### 7.5 JAM Regatta Award
