Helen Ingerson Wins RYC Test

By WILBUR O'BRIEN

The female of the skipper species proved more wily than the male yesterday. Helen Ingerson, queen of the Rochester Yacht Club Dragon fleet, evaded a "mass" offensive against her Josephine in starting line maneuvers in Lake Ontario waters off Summerville, grabbed off top position at the gun and as it turned out had the race won.

It was the first start in the Cross Trophy series for the Dragons. Six of the club's fleet took the line, including the maiden race attempt of Bruce Cameron's handsome German-built Adios. Cameron, not entirely satisfied yet with his new sails, came home in third spot, just back of Bruce Huston's Gale Bird, which was skippered by John Bereza. The Dragons toured twice around a 3-mile triangle.

The Stars, going over a five-mile Gold Cup course in the fourth heat of the Baker series, saw Pete Woodams home first in Cygnet. Commodore Bob Dobbins took a second with his Sea Horse, while season leader Jerry Castle had to settle for the show spot. There were eight starters in the class, competing under virtually ideal conditions of a freshening breeze dead out of the East and smooth water.

Wes Dawes was Jolly Boat winner in a three boat fleet.

Paul Betlem of the Newport Yacht Club, Irondequoit Bay, stood second last night after three races in District 5, New York State Snipe championships being sailed on Cuba Lake, near Olean.

Paul, who is sailing his Tacky, had a fifth, third and second, back of the sweeping Les Larson, National Snipe-Class champion from Chautauqua Lake.

NYC fleetmate Charles Webster in Kitten was in third spot with ninth, second and fourth finishes. Four other Bay contestants — Bob Vreeland, John Glenn, Pete Lauterbach and Doug Magde, failed to establish contention spots.

Two more races are scheduled today. Twenty-five yachts are entered from host Cuba YC, Chautauqua YC, Loon Lake, Onondaga YC and Oleton on Lake Ontario. Top three skippers qualify as entrants in the Nationals.

A novel Invitational concept the "Olde Time Regatta," will highlight this week's area sailing card. Patterned to a Gay Nineties theme, the two-day regatta is expected to draw more than 100 yachts in five sailing classes to host Newport YC on Irondequoit Bay. Entries are being received from Snipe, Jolly, Lightning, Thistle and Comet fleets all over the Upstate area. Trophies will be awarded for first three places and flags will be awarded for the first five finishers.

Two races, morning and afternoon are listed Saturday, a single a.m. event on Sunday. A Gay Nineties party will be held Saturday night, with award presentations Sunday afternoon on the club lawn.

Week following the Invitational, on Wednesday and Thursday, July 24-25, Newport will be host to the LYRA and St. Lawrence Valley areas Sears Cup sectionals for junior sailors. Al Fields is regatta chairman assisted by Bob Woolman, a former Sears Cup champion.

Lightnings were alone in Newport sailing yesterday in the absence of the Comets at Ithaca and the Snipes at Cuba Lake. Bob Woolman in his Trop Chere was victor in the nine boat fleet, followed by Dr. John McIntosh in Blue Jacket III, and Steve Sabs in George, third.

Other area meets of interest this week will be the one day sixth annual Sailfish-Sunfish International Invitational at Putneyville, on Lake Ontario, Saturday.

I-A Soccer Team Tests German A Squad Today

Two games are on tap today in the Inter-City Soccer League's First Division. The Italian-Americans, recently crowned U.S. Amateur Cup kingpins, will meet the German "A" pitchmen at Edgerton Park with kickoff slated for 3 p.m. The I-A's are leading the Inter-City loop with a 6-0-1 record while the German "A" squad stands 3-5-1. At Cobb's Hill, the pesky Hungarians, who led the I-A's game to play, would move up 1-0 at the end of the first half last week before losing 5-3, collide with the Rangers at 3 p.m. The Rangers are 5-1-1 and are the only team still having a shot at the first place I-A's.

Bob Lunn, 18, Snares Publinx Golf Title

SACRAMENTO, Calif. (AP)—Bob Lunn, a San Francisco teenager, built a three-hole lead after 27 holes, then held off the desperate rally of neighbor Steve Oppermann and won the National Public Links Golf Championship, 1 up.

The 18-year-old Lunn's final margin over Oppermann, 21, of South San Francisco, in the final analysis came at the 24th hole of the 36-hole showdown when Oppermann missed a 12-inch putt.

Lunn never trailed in the match over the 6,702-yard, par 36-36-72 Haggin Oaks golf course but four times Oppermann pulled even and Lunn could not cinch the victory until he dropped a four-foot putt for a par at the 36th.

Lunn played the morning round in even par, parred the first nine holes in the afternoon, and slipped only one over par on the final nine holes.

Only twice did Lunn win holes with birdies. But seven times Oppermann lost holes by bogeying.

Lunn was 2-up at the lunch break, but lost the 19th hole when he three-putted.

Oppermann missed an eight-footer at the 20th and drove

into trees on the 21st, bogeying and losing both times. The stockily-built Oppermann regained one hole with a nine-foot birdie putt on the

par 3 23rd, but gave it back with his costly stubbed putt. Oppermann's desperate rally began at the 26th hole when he dropped a 12-foot putt to match Lunn's birdie.

A drive and 3-iron on the par 5 30th hole gave Oppermann a birdie, and he moved within one hole when Lunn missed a four-foot putt at the 33rd. But from then on Oppermann had no chance. He needed a 15-foot putt to halve the 34th and recovered from a poor drive to halve the 35th.

Lunn hit the par 4 18th green, and Oppermann was on the fringe. Lunn putted short his first time, but then, with 3,000 fans ringing the green, put his second into the cup.

Lunn had three birdies on the front nine and went out in 34 strokes. He came back in 38 but still picked up a hole on his opponent. Oppermann's morning medal score was 35-39-74. Lunn's 34-38-72.

Deadline Slated Tomorrow for Net Title Entries

Entries close tomorrow for the annual Rochester District Tennis Championships to be held starting Saturday at the Tennis Club of Rochester.

Pete Lyman and Fleur Yano are strong favorites to retain their singles titles while Roy Hock, a former city titleholder, and Briggs Austin are tabbed as probable finalists in the senior men's singles event. Hock grabbed top honors last year.

Ann Nealon and Liz Derry, the latter a recent winner of the TCR club crown, will be strong contenders for the women's singles trophy.

Bob Hursh is tournament chairman and those needing entry blanks should get in touch with him at his home, 155 Wyatt Drive. Application blanks may also be obtained at the Tennis Club of Rochester, the Maplewood Y Tennis Club and leading sporting goods stores.
