THE ~~Lake Ontario American~~ FLEET FOR THE MONTH OF ~~Feb~~ 19~~52~~

Signed.....

While Ice and snow cover our docks and yatch club the Star members are individually engaged in preparing their boats to be 52's finest. One boat, Fred Zwacks Home Free is completely fefinished with a new single spreader rig, ready to hit the ater. Two other boats are in closed storage and the owners have been working diligently to have them in top shape for the Memorial Day Reveiw. That in itself is a spectical unsurpassed in these waters. Before the first race of the s season the Commodor's Schooner will take up a convient station in the harbor and the entire fleet of the Rochester Yatch clubs—~~fit~~ power boats and sail boats prade past and salute the Commodore. Guns roar. Sirens scream, horns and whistles blow and the Yatching Season is off to a Glorious Start.

The Fleet is working hard on two new prospsect and as an added inducement we have secured Financial assistance in the form of a loan from one of the local banks provided the Fleet Condonees the purchase.

With our hard working Fleet Captain, Bob Dobbin I am confident that the L.O.A. fleet will return to the size and esteemed fleet it once was. One thing we need and need badly is some type of a regatta. We must show the local sailors of Comet, Snipe, And Dingy origin that the I.S.C.*Y.R.A. has something to offer them they can't obtain in there present status. The last Star Regatta in Rochester was in 35, so long ago the old timers ~~ees~~ cease to talk about it. This Secretary would welcome any information that could achieve this end which you may be able to pass along.
