THE Lake Ontario American FLEET FOR THE MONTH OF March, 1941. 193.....

Mr. Lawrence G. Morrow is starting the season right (and making the rest of us a bit envious) by ordering a new Star from Parkman and a new suit of sails from Murphy and Nye. "Larry" has always been a dangerous competitor with his "Sunbeam" but did little sailing last year on account of illness. Fully recovered "Larry" is now set to "burn - up" the waters of Lake Ontario.

On top of the blizzard and hurricanes that have just swept the country Messrs. "Cliff" Baker and "Peck" Farley announce their intention of teaming up and leaving this clime to get her with Baker's "Stars'n II" making the long trek to New Orleans. Together they promised to bring back a cup.

In order to further enlarge our growing fleet we are this year "Throwing-open" all series, except the World's Championship and 12th District Eliminations and the Club Championship series. We are allowing several substitutions of both skippers and crews in order to introduce more "landlubbers" to the arts and joys of sailing. We feel that once a novice has handled the tiller of a smart Star the joys of golf, gardening or whatever sane people do in the summer are joys forgotten. Needless to say we have had several noisy and hotly debated sessions setting-up the regulations for the coming season.
