...r, and at 9 a. m. another gun

will be fired as a signal. *20* outer end of the west pier to a buoy moored 500 feet north of same.

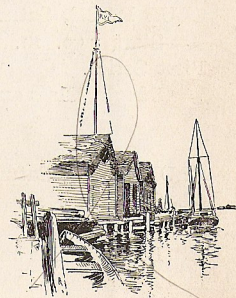

...imaginary line drawn from the

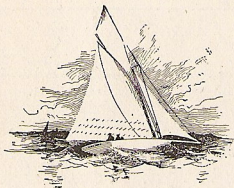

The preparatory and starting guns for the 15-foot Class will be fired at 8.50 and 9 a. m. respectively. The starting gun for the 25-30 class will be fired at 9.30. The starting gun for the 35-40 Class and for Class A, will be fired at 10 o'clock. The starting gun of the 19-foot Class shall be considered the preparatory gun of the 25-30 Class and the starting gun of that class shall in turn be considered the preparatory gun of the 35-40 Class and Class A.

The starting gun for

Time of finish will be taken as yachts cross an imaginary line drawn from the outer end of west pier to the outer end of east pier at Sodus. Time limit, 15 hours.

Each ~~cabin~~ yacht, Class A excepted, shall tow a dinghy over the course. No restrictions as to number of men in crews. In all other respects, except as herein stated, the regular racing rules will apply.

From Chicago the cup that was taken from them by our present  
shall enjoy our local contests. The Fisher cup is still in our pos-  
session and may be received from any of the clubs of the L. Y. R. A. on Lake  
defended.

As a man's sport among the racing men, the other features of a well-  
overlooked. Changes have been made in the club house with the  
improved cafe service—there are several "ladies' days" on the program, at  
which the owners and their friends will be provided for.
