Cutler Building

W. P. FARLEY

THIS SIDE OF CARD IS FOR ADDRESS  
REPLY CARD

We want to show appreciation to our new members for their help in building the club house by giving them an opportunity to enjoy our facilities for entertainment afloat and ashore before we lay the boats up for the winter.

Completing the house so late in the season prevents the proper celebration of the opening with a Regatta.

Let's go anyway—rain or shine!

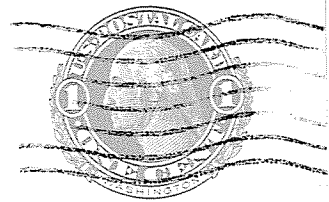

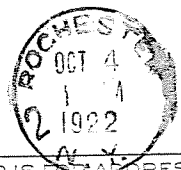

Saturday, October 7, 3:30 p. m. Parade of fleet manned by entire membership, both new and old, followed by buffet supper, music and informal inspection of property.

Mail return card at once so we can sign you up with one of the crews and provide the eats.

1922

Mr. R. D. Sprague,  
1912 East Avenue,  
Rochester, N. Y.

Dear Sir:-

Our club house will be opened for our new members on Saturday of this week. We are trying to entertain all of the new members who have contributed to this fine building. We want to take them out in our boats and show them something of our fleet.

Unless you are willing to do your part and carry as passengers some of the new members, we will fail. I am therefore issuing the following orders:-

1. Boats ready for the review by 3:00 P. M.
2. Boats should be dressed if possible.
3. Every boat should have some kind of a gun aboard for saluting.
4. Sail boats without power are expected to be ready for they will be towed.
5. If the weather permits the parade will be in the lake, otherwise up the river.

We need you! Do it for the Club!!

Yours for success,

HCS/S

Commodore.
