

ROCHESTER YACHT CLUB ROCHESTER, NEW YORK

As a Member of the Rochester Yacht Club you are entitled to a key for the lock on the gate at the entrance of the Club Grounds. Accordingly, Key No. 256 is hereto attached.

Please take note that the gate will be closed and locked at all hours except from 8 to 12 A. M. It is earnestly requested that you co-operate with the management by closing and locking the gate after entering or leaving. This is necessary that the rights and privileges of Members shall be protected.

It is not the intention to exclude from the grounds the family or guests of members who, by the terms of our Constitution, By-laws and House Rules, are entitled to the privileges of coming to the Club. We do, however, wish to prevent the use of our club by those who are not entitled to do so. Your co-operation to this end is earnestly solicited.

Members may procure extra keys for members of their families who are allowed the privileges of the Club. These keys may be had for twenty-five cents each by application to the Manager at the Club Office.

Those who come to the Club at the invitation of Members or who have business to transact for or with Members or Officers of the Club, may gain admission by ringing the bell at the gate. There is suitable notice to this effect on the gate.
