

# Racing

Racing . . . that's what gets the sailor up at 7:00 AM on Saturday and Sunday mornings and has the non-sailor wondering why. At Rochester Yacht Club, we boast a hearty number of fleets and activities to keep all of our members fully involved.

The 1980 season was only somewhat quieter compared to 1979 when RYC hosted the Women's Worlds. One of the two major regattas was the always popular and fun Firecracker, hosted by the Soling Fleet. This regatta traditionally draws some of the top sailing talent in the world.

The Firecracker was followed by the first joint Soling and J/24 Great Lakes Championships held over Labor Day. It was a great event that catalyzed the current feeling of camaraderie amongst these two fleets.

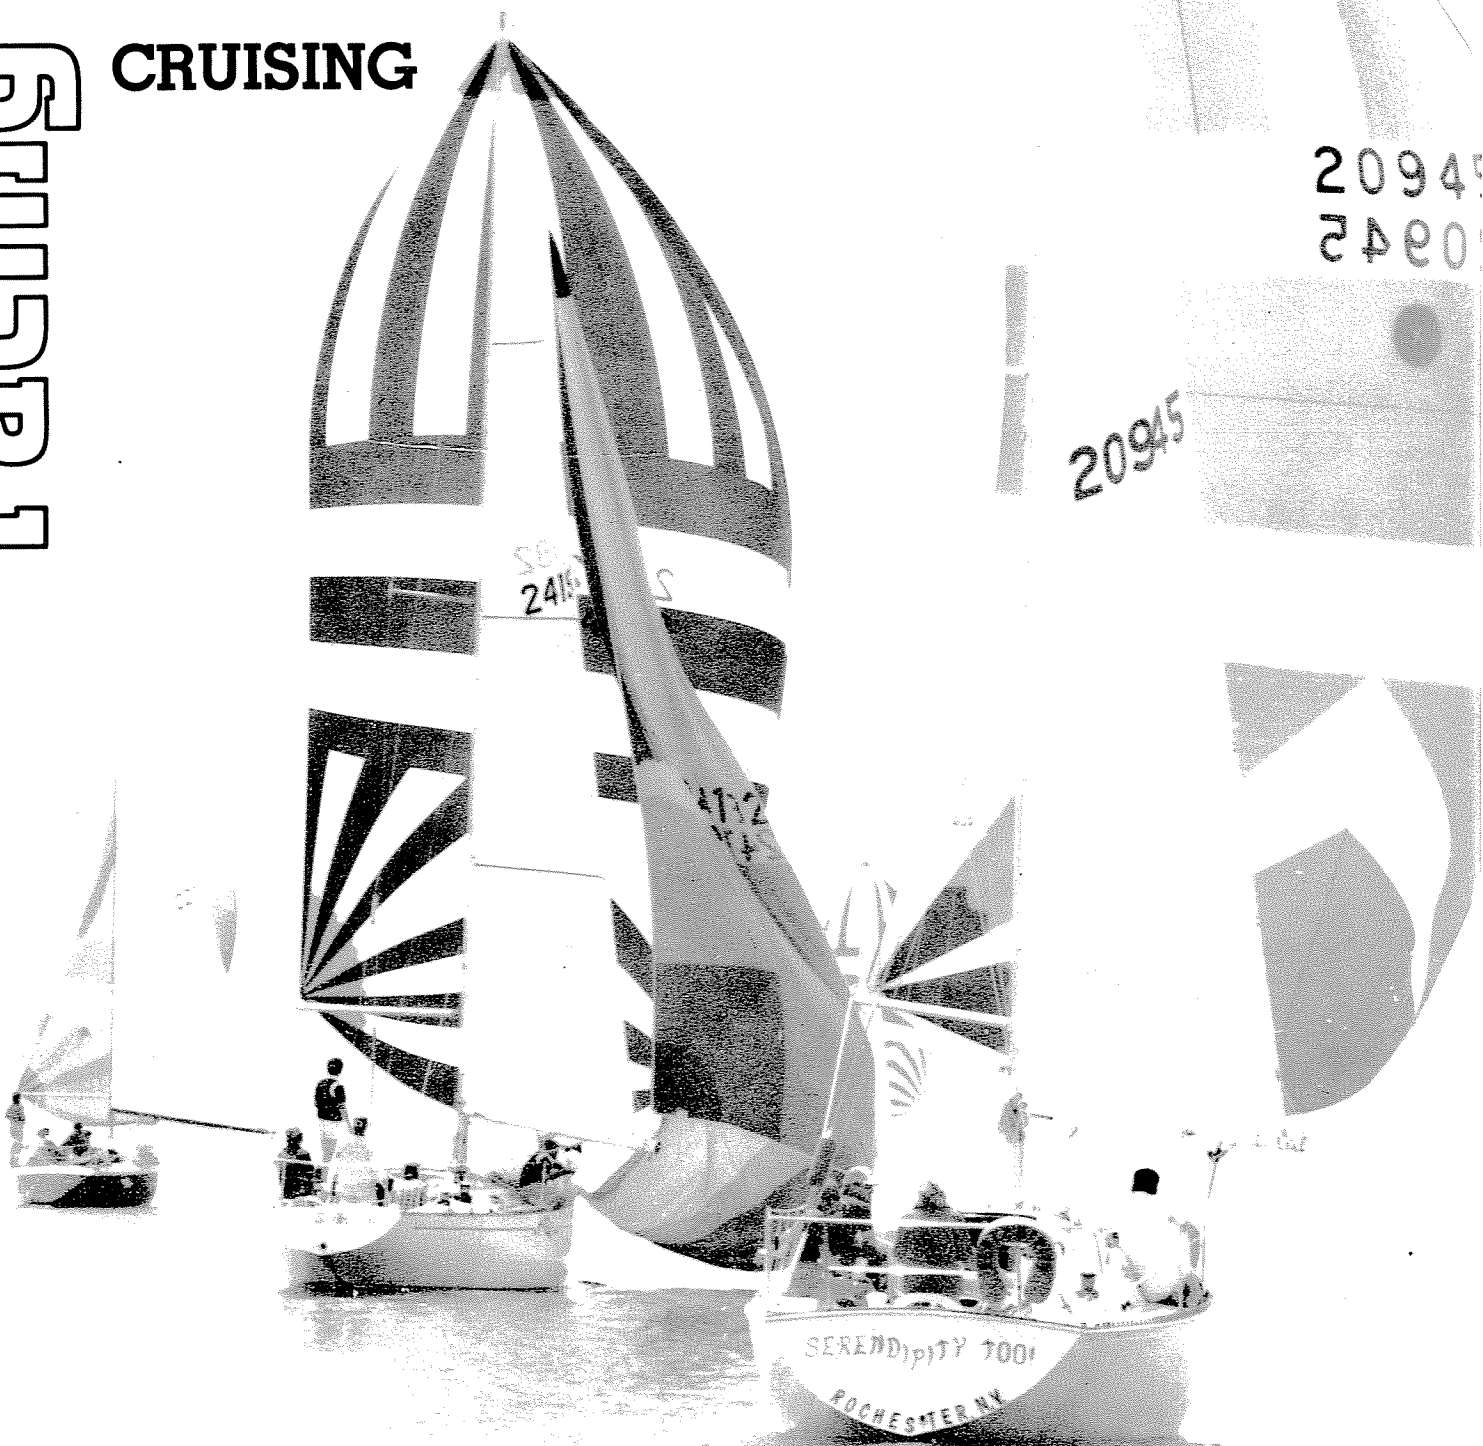

The 1981 season will prove to be active with three major regattas scheduled.

Racing . . . RYC has planned a full season of it. Now just pray for wind.

# Racing

## CRUISING

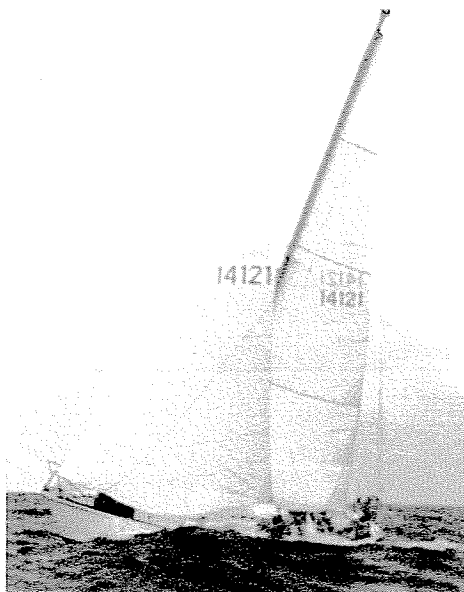

## CRUISING FLEET

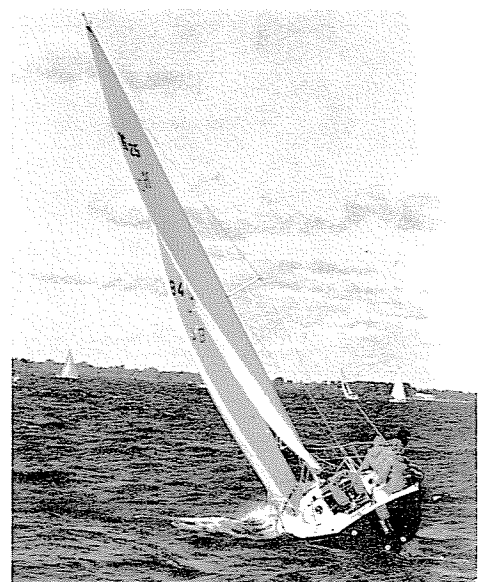

The Cruising Fleet had an "interesting" season in 1980. The Fleet was plagued with peculiar weather — flooded with gales one race to totally becalmed the next. But, to be sure, they kept an active schedule none the less.

The Spring Series — both Wednesday nights and Sundays — were blessed with the most favored conditions. This was followed by an unpredictable Summer Series with the season culminating with exciting Wednesday nights and Sundays of the Fall Series.

With the 1980 Cruising Fleet Series passed, everyone is looking forward to that of 1981!

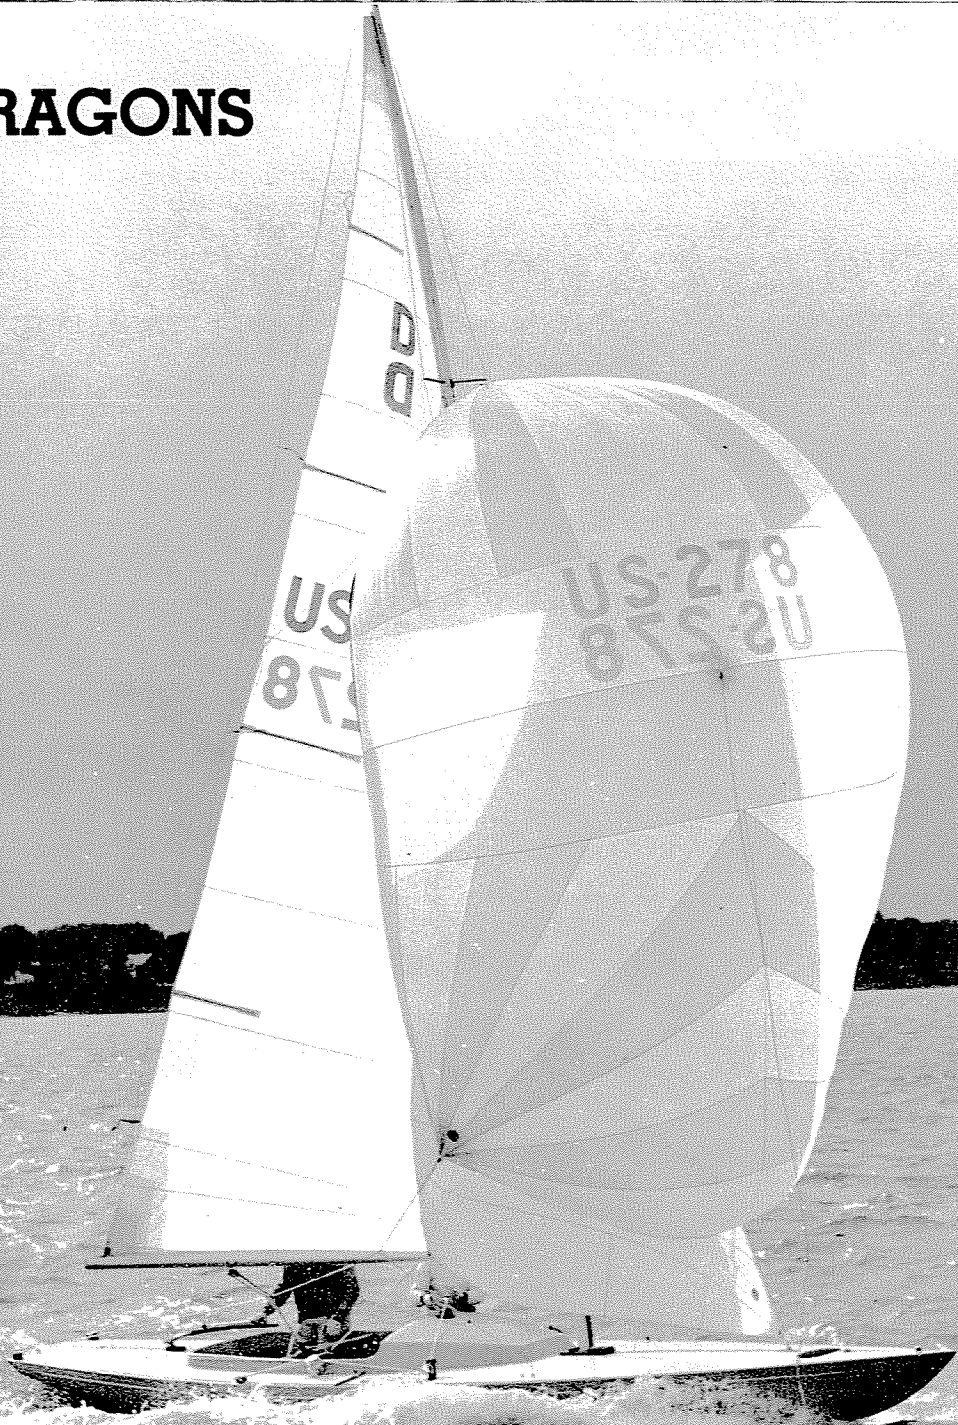

# Racing

## DRAGONS

The Dragon Fleet hosted a two-week marathon regatta which started the fourth of July weekend with the Great Lakes Championships. About 17 boats were entered, coming from Cleveland to Ottawa.

Immediately following the Great Lakes Championships the Dragon Fleet took off on the Snap Dragon Regatta — a series of four races around the lake, first being Rochester to Sodus, second was Sodus to Oswego, the third was Oswego to Henderson, and the final leg was Henderson to Kingston.

The Klaus Baess Trophy was awarded to Howard Low for best overall racing record throughout the entire season.

This year the Dragons will bring in the North American Championships the first week of September for another exciting series.

# RACING

## SOLINGS

## SOLING FLEET

The Soling Fleet, strong as ever, was honored with the most active sailing schedule in North America!

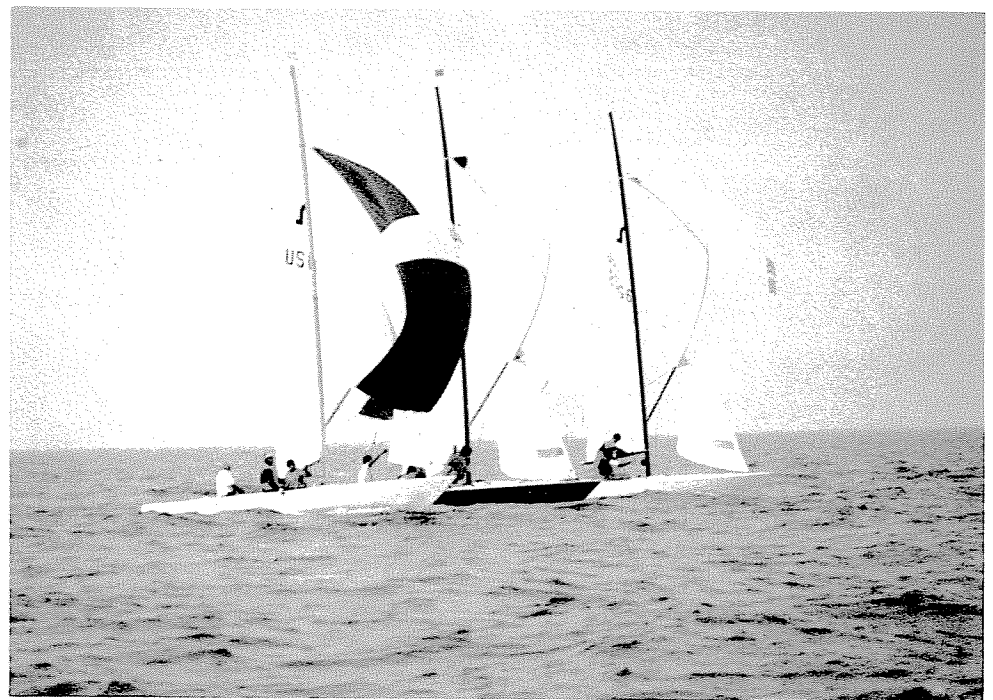

The Firecracker Regatta was held over the Fourth of July weekend with approximately 37 Solings entered. The weather was quite predictable for the weekend — "unpredictable." The Regatta started without wind and ended with about a 20 mph westerly blow! 10 miles of racing over the side of a Soling!

Also exciting was the Great Lakes Championships for Solings. This regatta was held with that of the J/24's, with 25 boats participating. Once again, it was a super regatta. Quite natural, by now, for the Soling Fleet.

Of particular note, Jerry Castle won the Youngstown Soling Invitational.

In Club racing, John Odenbach, Jr. received the Iroquois Trophy for first overall in the Saturday and Sunday Series, "A" Fleet, while John McGrath won first overall in the "B" Fleet. The Most Improved Skipper Award was given to Alan Pundt.

This year, 1981, the Soling Fleet, already 20 strong, will host the Firecracker regatta over the fourth of July with 40 Solings expected to enter.

# Racing

J/24's

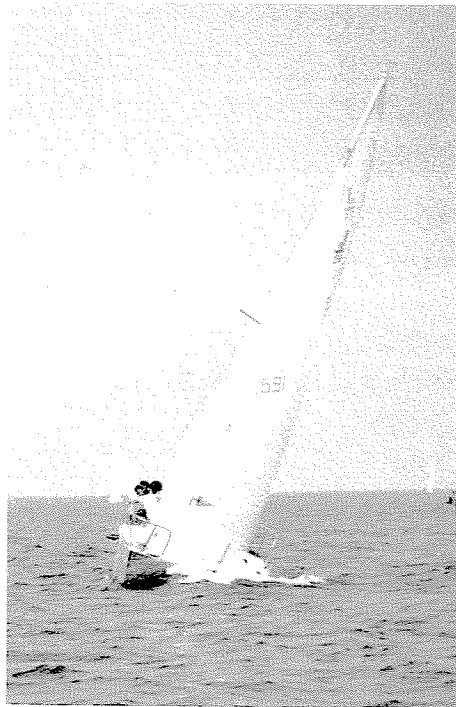

The Great Lakes Championships for J/24's was held over Labor Day Weekend and 35 boats were entered for this extravaganza! The fleet had quite a cross section (one crew drove 24 hours straight from Nova Scotia.) There were those who wanted serious racing and then those who wanted serious partying: All were in rare form!

The regatta was won by Kirk Reynold's Cruel Shoes, skippered by Norm Freeman. With the victory also came an invitation to the World Championship in San Remo, Italy, where Norm, Kirk and the rest of the crew finished second to 1976 Silver Medalist, John Kolius.

Tom Roth was awarded the Glenn F. Litchfield Memorial Trophy for best overall in the Saturday and Sunday series. The Innisfree Trophy for best overall in the Sunday series was awarded to Frank Shumway, while Bob Castle was awarded the Seneca Trophy for best overall in the Saturday series.

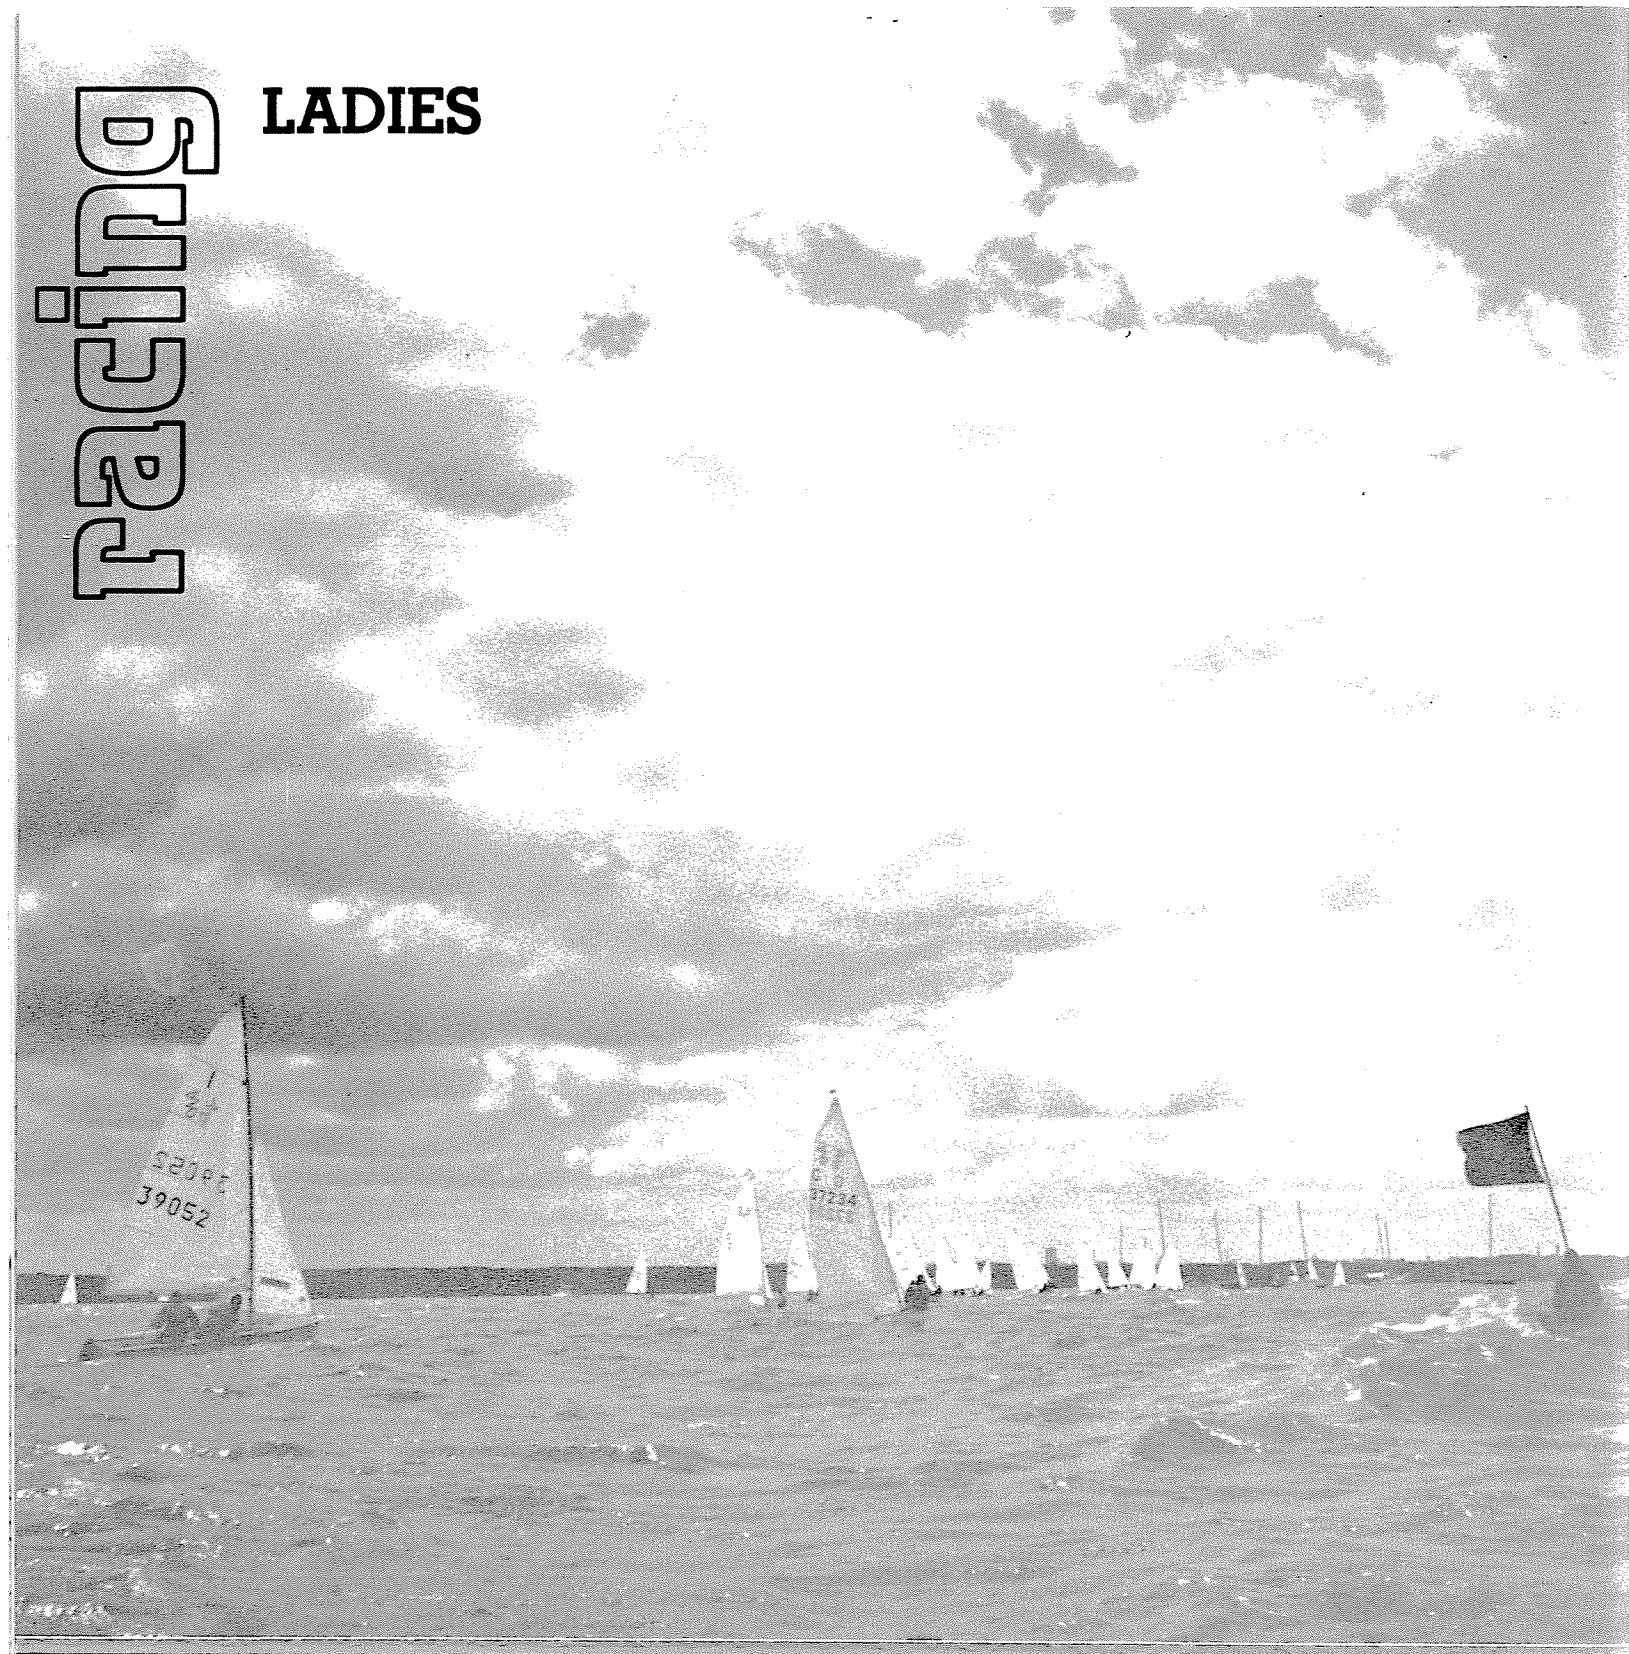

This year the J/24 fleet has doubled in size to about 20 boats. The fleet will host the North American Championships, August 20-24, with approximately 75 boats in attendance.

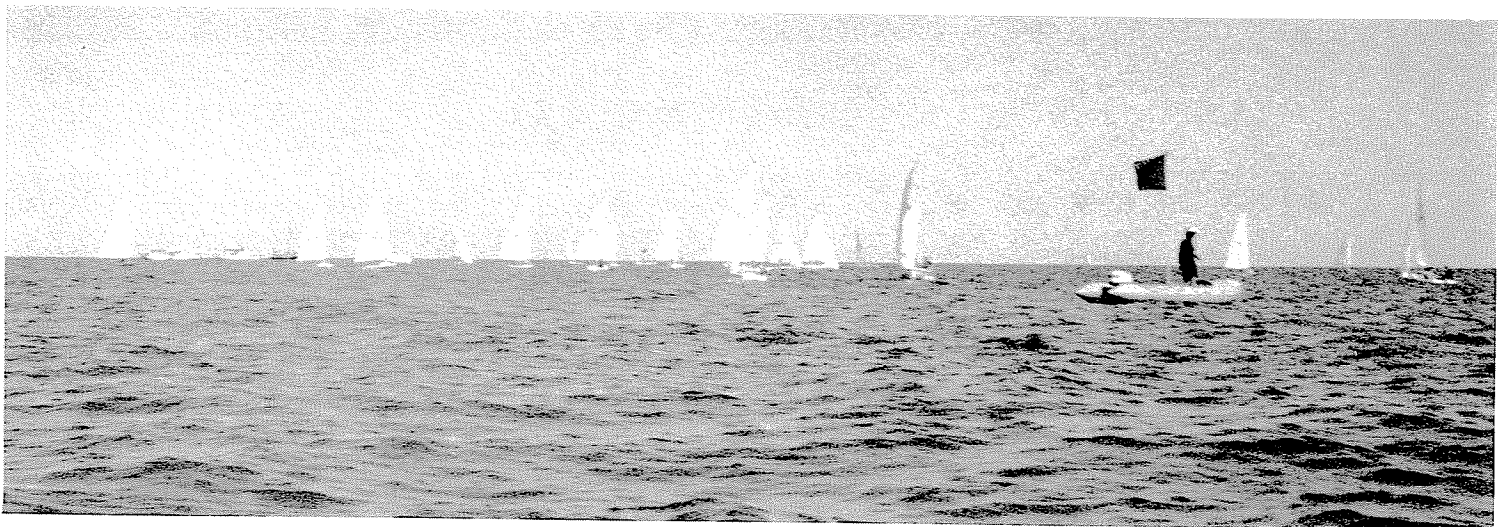

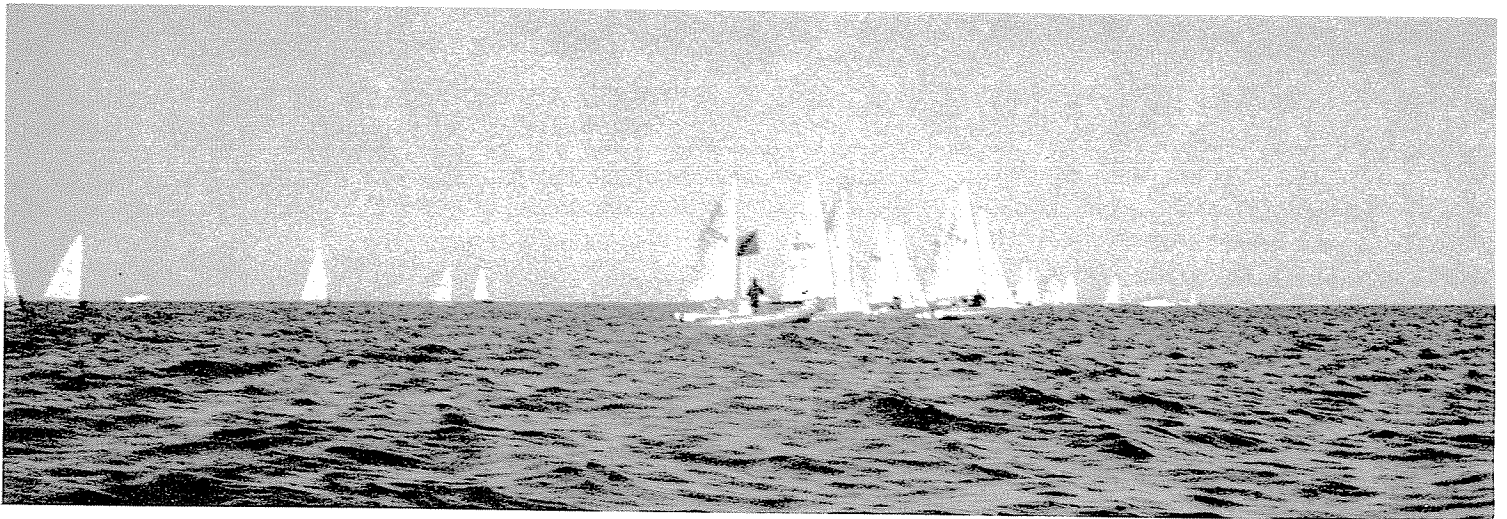

# Racing

LADIES

## LADIES RACING FLEET

In 1980, Ladies Racing consisted of three series — June, July and August. In addition to winning a flag in each series, the Ladies Racing Trophy for Winning Skipper was given to Vicky Gilbert who had the best overall season average. The Winning Crew Flag was presented to Joan Ellison for crew with the best overall season average.

# Sailing

JR. RYC

## JUNIOR RACING

The 1980 Junior Racing Program continued with many instructional programs. Renee Bianco was awarded the Katie Grey Trophy for the female skipper with the best sailing record for the season. The Jonathan H. Heinrich Memorial Trophy was awarded to Marc Fischer for the skipper with the best racing record. Of particular note for the Junior Yacht Club was the award given to member Robert Fischer — the Clifton H. Baker Memorial Trophy. This award is given to the skipper or crew member under the age of 25 who displays the greatest improvement in sailing ability during the racing season.

The 1981 program will be filled with racing which includes a series of 20 races beginning June 6th — two races a day for 10 weeks with flags awarded.

# Racing

## GREAT LAKES

Once again it was an exciting and active year around the Great Lakes.

Overall, 144 boats were entered in the Freeman and Lake Yacht Racing Association events. The Freeman Cup attracted the greatest number of boats — 120! The 131 mile race course began at Port Credit on August 3 and finished at Hamilton, Ontario.

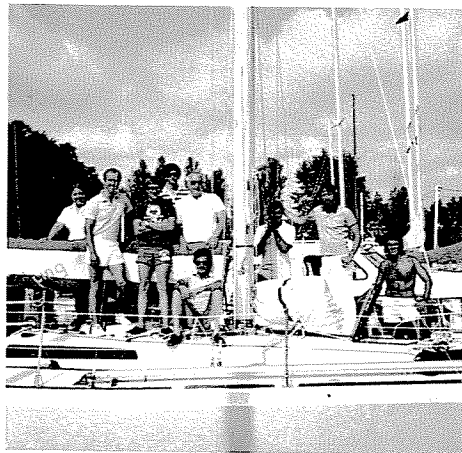

Three days of LYRA course racing was hosted by the Royal Hamilton Yacht Club with 112 boats participating. This was followed by the Centennial Race which ran 30 miles from Hamilton to Toronto.

The Lake Ontario International Race followed a 218 mile course beginning in Toronto and ending in Rochester.

John Odenbach, Jr. and crew won the Richardson Cup Eliminations in Toronto on August 9. They went on to DeLuth in September to represent Lake Ontario in the Richardson Cup Competition which they won! For this victory John became the Great Lakes Champion. Also, he was presented the Madge Cup.

Another accomplishment which gave RYC great pride was the award of Boat of the Year Division III to Wild Card!

Rochester Yacht Club was proud to have its members active and victorious in many of the major races throughout the Great Lakes.

# Highlights '80

**Summer Cruise**

The 1980 Club Cruise began with a Family Race to Fair Haven with prizes enjoyed by many. This was followed by the Commodore's Party and Pot-Luck Supper. The Cruise was off to a good start.

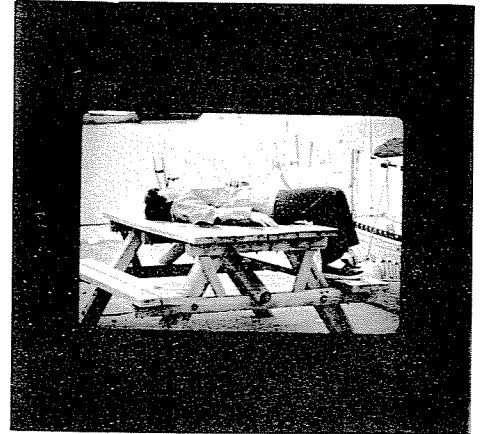

Due to the unsettled weather, crossings to Main Duck and Kingston occurred over a three-day period. Kingston provided an enjoyable stop-over, as did our second annual visit to the Thousand Islands resort on Wellesley Island later in the week. Compared with the cold river, the kids found the pool a real treat.

Saturday night again proved exciting, with the second major windstorm of the week passing through. In contrast, the return to RYC was almost anticlimatic were it not for shared memories of another successful Club Cruise.

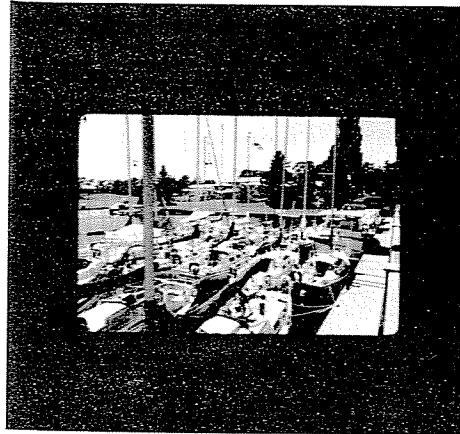

The 1981 Club Cruise should prove to be fireworks of fun, especially since it begins over the Fourth of July Weekend. The flotilla of RYC craft will head first to Pres'quile Bay followed by a stay at the Bay of Quinte. Then it's on to Kingston and the Thousand Islands!

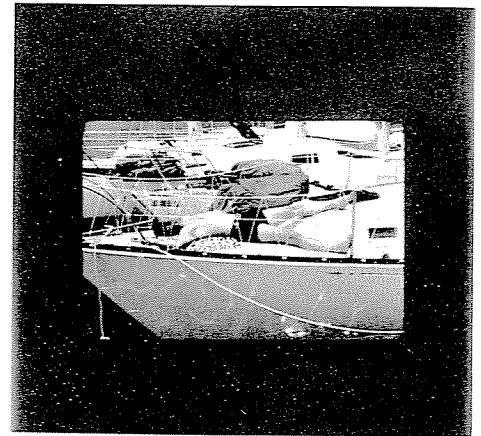

"Chart Talk" at Cape Vincent.

Relaxing at Fair Haven . . .

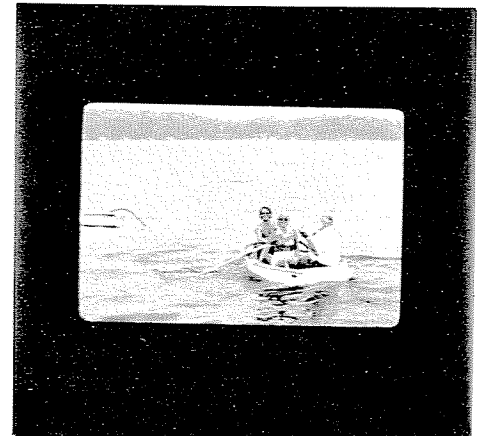

A very close fleet!

More relaxing at Fair Haven . . .

Now this is my kind of cruise!

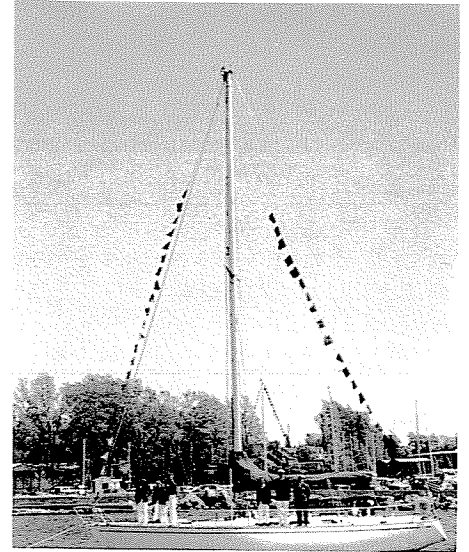

Row, row, row your boat!

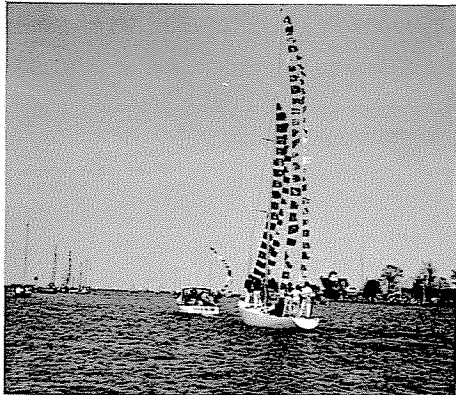

Commodore Stolze gives everyone a warm welcome.

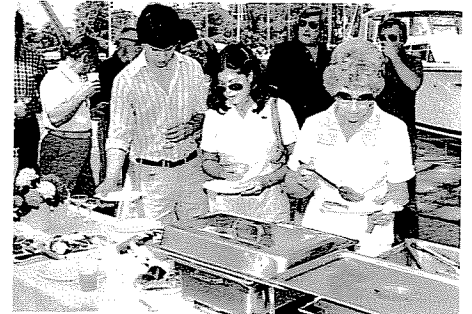

Commodore Stolze reviewing the fleet aboard the yacht Sideband, Memorial Day, 1980

A river of RYC boats ready for review.

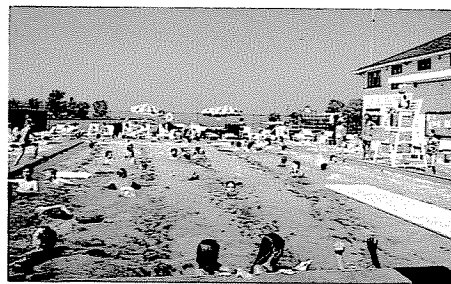

Heading for home after the "Puff-Putt."

The Power Fleet enjoys a dockside brunch.

The Board of Directors at the Annual Meeting.

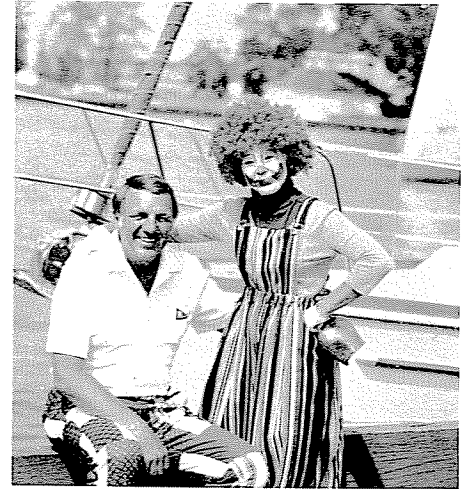

Lazy summer days back at the club.

John Odenbach, Jr. had an unusual guest at his wedding ... his Soling!

**RYC purchased the Yacht Center, January, 1981.**

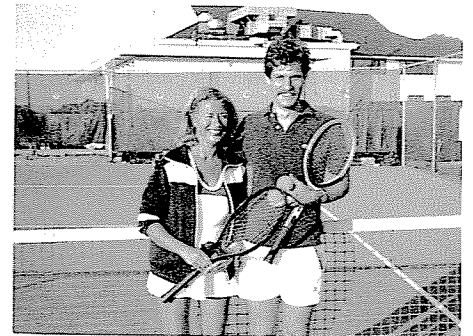

**Tennis**

A new tournament was instigated in 1980 — "After 8 and over 80." The ages of the teams (mixed doubles) had to add up to at least 80, and the match had to be played after 8 p.m. This tournament was so successful that it's sure to be included in this year's events.

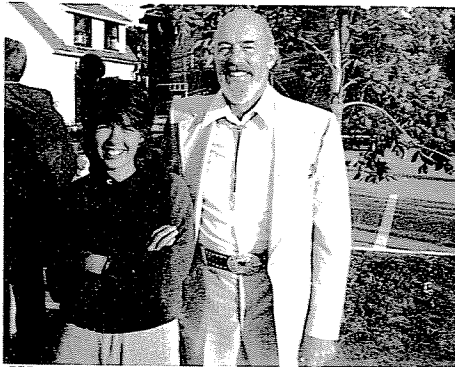

**Runner-Up Team in the "80 & Over": Gordie Odenbach & Terri Passero**

**Finalist in the consolation round in "80 & Over": Gretchen Heinrich & John Mele**

**Winners of the "80 & Over" Tennis Tournament: John Odenbach, Jr. & Pollye Lowry**

**Winner of the consolation round in "80 & Over": Pam Mele & Sam Shannon**
